Addendum to Boarding Contract

Vaccination Requirements

Quakertown Boarding and Grooming requires that all dogs be vaccinated at least 2 weeks prior to their boarding stay for Canine Distemper, Rabies, Bordetella and Canine Influenza. Cats should be vaccinated for Feline Distemper and Rabies.

Bordetella and Influenza Waiver

Quakertown Boarding and Grooming Requires all dogs to be vaccinated for Bordetella and Canine Influenza no later than two (2) weeks prior to their stay with us. The vaccine should be updated annually. If you're pet contracts kennel cough or the flu during its stay with us, or shortly thereafter, QVC will not be held responsible for the cost of treatment and medications.

Multiple Dogs In One Cage

QVC does not recommend boarding multiple dogs in the same cage and will not be responsible in the event of an altercation. Boarding may be stressful on some dogs and may cause them to behave differently than they do in their home environment.

After Hours

Drop-offs or pick-ups outside of normal kennel business hours will incur an additional fee.

Kennel Hours

Monday – Friday 8 AM – 6 PM

Saturday & Sunday 8 AM – 2 PM

Pick up hours: 8 AM – 12 PM

Drop off hours: 2 PM – 6 PM

Medications

QB&G will administer oral medications and topical treatment as per your Veterinarians instructions. There will be a \$2.00 fee for each treatment. We will only accept medications in their original vials. Medications pre-packed in food cannot be accepted. I have provided enough meds for my stay and in the event that I run out I authorize the QVC staff to refill meds as necessary.

Treatments

In case of emergency I authorize the staff of QB&G to act as my agent/and my pets agent when seeking medical services. I authorize the staff of QVC to do whatever treatments are necessary in case of injury or illness of my pet. QB&G will make every attempt to contact me - if I cannot be reached you have my permission to treat my pet. I understand that I assume financial responsibility for costs incurred in the care of my pet.
